Eligible Automatic Contribution Arrangement Participant Notice

You are eligible¹ to participate in the Carilion Clinic 403(b) Retirement Savings Plan which includes an Eligible Automatic Contribution Arrangement (EACA) for the 2025 plan year. This notice provides you with information to consider before deciding to take no action or to start, continue or change your salary deferral rate.

¹Eligibility

Please see the Plan's Summary Plan Description (SPD) for when you are eligible for salary deferral and employer contributions.

For plan years beginning on or after 1/1/24, the Setting Every Community Up for Retirement Enhancement Act (SECURE) of 2019 expands plan entry to consider the service requirement (for elective deferral contributions only) met if you have completed at least 500 hours of service in three consecutive computation periods. Beginning for plan years on or after 1/1/25, based on the SECURE 2.0 Act of 2022, the three consecutive computation periods will be reduced to two consecutive periods.

Salary Deferral Contribution Plan Provision

You may elect to defer a percentage of your pay each pay period. Your current taxable income is reduced by the amount you contribute through pre-tax salary deferral. This lets you reduce your current federal and most state income taxes. This plan allows you to defer 75% of your pay.

• You may also elect to defer a percentage of your pay each pay period as Roth deferrals, which are after-tax contributions.

Automatic Contribution Arrangement

This retirement plan includes an automatic contribution arrangement that applies to new participants or re-hired participants as they enter the plan. If you are a new participant, you will be automatically enrolled in the retirement plan, meaning 3% of your pay will be deducted from paychecks and contributed to the retirement plan on your behalf unless you elect a different salary deferral percentage. If you are not a new participant, you will maintain your current salary deferral amount unless you elect a different salary deferral percentage or you fall within the automatic increase of affirmative election (AIAE) provision range outlined below.

The retirement plan also includes an automatic salary deferral increase provision. Salary deferral contributions for automatically enrolled participants will automatically be increased by 1% every 2/15 up to 10%.

If you do not wish to be automatically enrolled, you may elect not to defer or to defer another percentage. You can enter into an agreement to change your salary deferral contribution on any date. You will need to complete and sign the salary deferral agreement or complete an election online, if applicable, before the date on which it is effective. Once an agreement (affirmative or automatic) is in effect, salary deferrals will be payroll deducted from your future paychecks. You can terminate your agreement at any time.

If you affirmatively elect to make salary deferral contributions or if you are automatically enrolled and you do not provide direction as to how contributions made on your behalf should be directed, then the contributions will be directed to Vanguard Target Retirement Fund, sub advised by Vanguard Group.

You may obtain additional information regarding investment choices on our secure website at principal.com, or if applicable, see your Qualified Default Investment Alternative notice.
