Schedule a Visit in MyChart

MyChart offers convenient access to appointment scheduling while on the go or after office hours.

Direct Schedule

- In MyChart, select **Visits**
- Click on **Schedule an Appointment** to choose a provider and preferred date
- Check **Notify Me** for sooner appointments
- Return to **Visits** to cancel the same appointment

If direct scheduling is not an option, call the office for assistance.

Request an Appointment

- To request an on-site or video visit for a recurring issue, you must have had an appointment with the clinician within the past two years.
- In MyChart, select **Visits**
- Click on **Schedule an Appointment** to choose a provider and preferred date
- A scheduler will call you to confirm your appointment
