

INVENTING HEALTHCARE'S FUTURE IS STEPS AWAY!

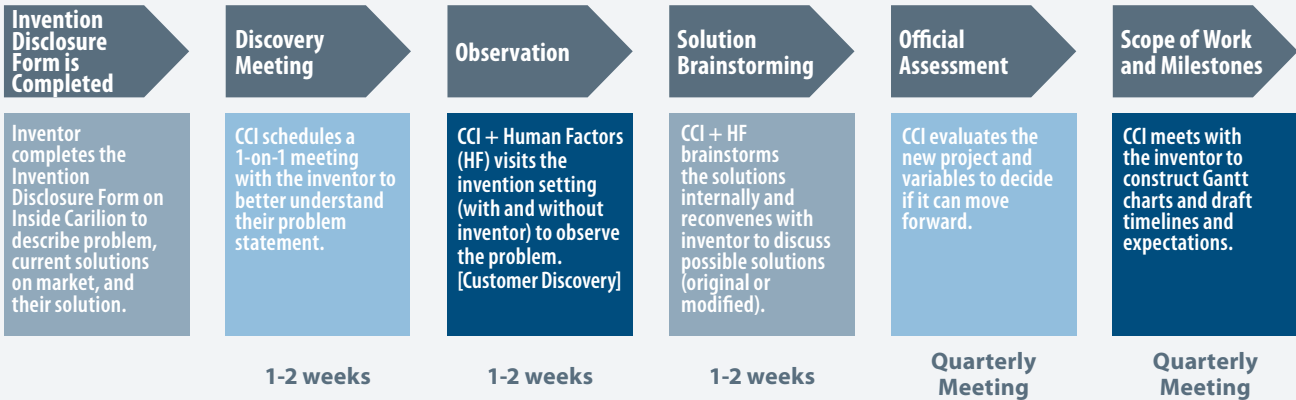

Carilion Clinic Innovation (CCI) serves and supports you and your entrepreneurial pursuits.

Partnering with CCI accelerates your innovator journey and provides access to assets and resources. Beyond funding, CCI offers up to \$100,000 in value for business coaching and education, equipment rental, and warm introductions to industry experts and investors.

We're excited to build with you! You'll work with CCI in a problem-solving approach to explore the best solutions for innovation creation. **Here's what to expect:**

INVENTOR'S PATHWAY

CCI can determine the project is not commercially viable, scalable, or aligned with our mission at any given step throughout the pathway process.

Carilion Clinic Innovation (CCI) partners with the region's entrepreneur support organizations (ESOs) to provide you with many opportunities to explore healthcare innovation and invention pathways.

EXPLORE OUR ECOSYSTEM'S NETWORKING, NAVIGATION AND FUNDING OPPORTUNITIES:

Beer & BIO Mixer

CCI co-hosts Beer & BIO, powered by Virginia BIO. It's a free monthly event featuring innovative biotech speakers and networking. RSVP today!

Ecosystem Navigation Program

Are you curious about the resources and support available to you through Carilion and the tech and biotech ecosystems? Schedule a 1-on-1 meeting!

Research Acceleration Program (RAP) Fund

Carilion's Research Acceleration Program (RAP) funds employees pursuing clinical, biomedical and mental health research projects.
