

FAST FACTS 2022

Carilion Clinic is a tax-exempt health system headquartered in Roanoke, Virginia. Through our comprehensive network of hospitals, primary and specialty physician practices, and complementary services, we provide exceptional care for nearly 1 million Virginians and West Virginians. Our enduring commitment is to a healthier region. We advance care through medical education and research, help our community stay healthy and inspire the region to grow stronger.

Our Mission

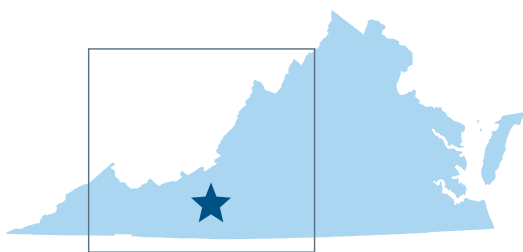

Improve the health of the communities we serve.

Our Vision

We are committed to a common purpose of better patient care, better community health and lower cost.

Carilion Clinic Foundation

The Carilion Clinic Foundation provides critical funding not available through traditional revenue sources to enhance patient care, experience and outcomes. As a result of philanthropic support, the Foundation provides scholarships to future health care workers, supports low-income patients with medicines, medical equipment, supplies, and transportation, provides funding for new state-of-the-art equipment, and promotes healthy lifestyles.
