

If I appear to behave oddly, it is because I have HD.
I may slur my words, forget where I am going, have balance
problems or say something that doesn't make sense.

Please be patient with me.

If I need help, please contact the person listed on
the other side of this card.

Thank you for your care and understanding!

Compliments of Carilion Clinic's HD Program

I Have Huntington's Disease (HD)

**If needed please take me to a hospital
or call my caregiver.**
