

— INTRODUCTION —

The Prescription Savings Club provides its members with significant savings on prescription medications. A quantity at 30-day is \$4.99 and a quantity at 90-day is \$10.99. The pricing is based on the max quantity listed in the table.

Members enrolled in a government funded program are ineligible for the drug discount program and any questions should be deferred to your insurance member services.

The medications listed are available in metric quantities of commonly prescribed doses in up to 30-day and 90-day supplies.

It is recommended that you share this list of medications with your physician. Specifically, ask your physician if a generic alternative is available and clinically appropriate for you. This list is subject to change.
