

THE BIRTHPLACE AT CARILION NEW RIVER VALLEY MEDICAL CENTER

When It's Time To Come To The Hospital

Before 20 Weeks' Pregnant (5 months)

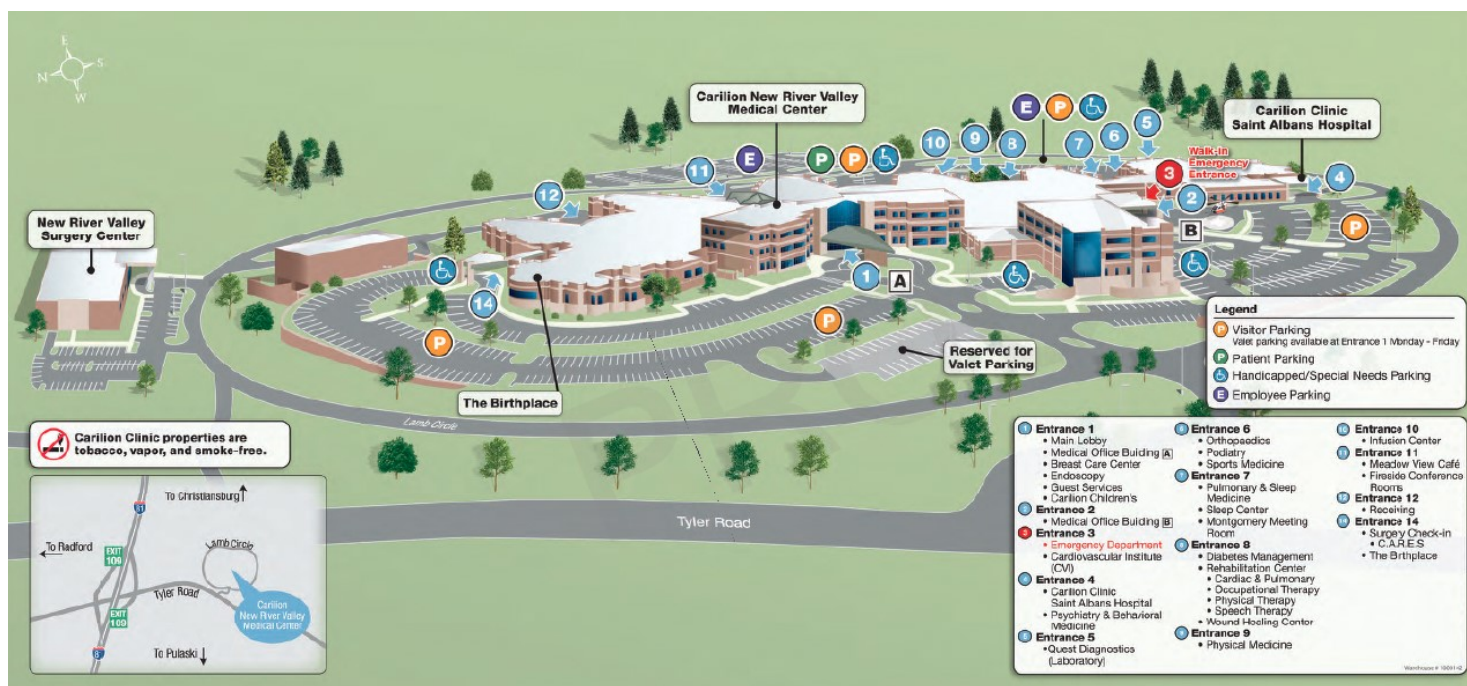

If you come to the hospital with a medical emergency, please follow the Emergency signs and drop patients off at the Emergency Department entrance #3; parking is available nearby. Enter the Emergency Department and go to the reception desk, where staff will assist you.

Past 20 Weeks' Pregnant

If you are coming to the hospital in labor or with a pregnancy-related concern, please enter the hospital at The Birthplace entrance #14. A service representative will assist you.

For Pre-Scheduled Procedures

When coming to the hospital for a scheduled induction or scheduled C-section delivery, enter through The Birthplace entrance #14.
